[Intro]

**G D Em C** (x8)

[Verse]

**G** **D**  
I always flirt with death  
**Em** **C**  
I could kill, but I don t care about it  
**G** **D**  
I can face your threats  
**Em** **C**  
Stand up tall and scream and shout about it

[Chorus]

**G** **D** **C** **D**  
I think I m on another world with you..... (with you)  
**G** **D** **C** **D**  
I m on another planet with you..... (with you)

[Verse]

**G** **D**  
You always get under my skin  
**Em** **C**  
I don t find it irritating  
**G** **D**  
You always play to win  
**Em** **C**  
I don t need rehabilitating

[Chorus]

**G** **D** **C** **D**  
I think I m on another world with you..... (with you)  
**G** **D** **C** **D**  
I m on another planet with you..... (with you)

**G**  
Another girl, another planet  
**D**                    **C**  
Another girl, another planet

**G D Em C** (x4)

[Verse]

**G**                            **D**  
Space travel s in my blood  
**Em**                            **C**  
And there ain t nothing I can do about it  
**G**                            **D**  
Long journeys wear me out but  
**Em**                            **C**  
oh god you know we won t live without it

[Chorus]

**G**                            **D**                            **C**                    **D**  
I think I m on another world with you..... (with you)  
**G**    **D**                            **C**                    **D**  
I m on another planet with you..... (with you)

**G**                            **D**                            **C**                    **D**  
I think I m on another world with you..... (with you)  
**G**    **D**                            **C**                    **D**  
I m on another planet with you..... (with you)

**G**                    **D**  
Another girl  
**Em**                    **C**  
is loving you now  
**G**                    **D**  
Another planet  
**Em**                            **C**  
forever holding you down  
                          **G**  
Another planet
