INTRO:

C5 (let it fade)
She didn t mean to deceive you, believe me

But sometimes the hardest part is conceiving

A5
The good intentions that you had

F5
Now only came to this

A5
And although she saw the mark

D5 F5ii
The arrow missed.

C5 (let it fade)
It isn t exciting reciting the stories

Of kind words turned hurting when routine get boring

A5
Both getting tired of punk rock clubs

F5
And both playing in punk rock bands

A5
The start was something good

D5 F5ii
But some good things must end

RIFF 1:

And she said, It could never survive
With such differing lives
One home, one out on tour again

We may never come back
The strike of a match
The candle s buring at both ends.

RIFF 1:(x2)

RIFF 2:(x2)

And now she knows too much
And I m too fucked up
It s awkward trying to make my move

I ll pretend that I m fine
Show up right on time
But I know I ll never be that cool

RIFF 3:

A5
I never wanted to hold you back
F5 **A5**
I m just trying to hold on
D5 F5ii
But my chance is gone

RIFF 4:

C5 G5 **F5**
I know / just where / I stand / a boy

Trapped in the body of a man and
C5 **D5**
I ll take what you re willing to give
F5
And I ll teach myself to live

G5

With a walk-on part of a background shot

A5 B5

From a movie I m not in

RIFF 1:(x4)

(3rd & 4th time with heavy palm mute and words)

She s so important

And I m so retarded

RIFF 3:

A5

And now I realize

F5

A5

I should have kissed you in L.A.

But I drove home all alone

D5 F5ii

As if I had a choice, anyway

RIFF 5:

G5

D5

Where are you coming from?

F5

What are you running from?

G5

Is it so hard to see?

D5

And if you re feeling scared

F5

Remember the time we shared

G5

You know it meant everything (everything)

A5

B5 C5

You know that it meant everything to me

(**C5**)

You know that it meant everything to me

RIFF 1:(x2)
