

Even If She Falls
blink-182

[Verse 1]

D
And their she was, like a starry night
 G
Like a Ferris wheel, full of blue green eyes
 Bm **A**
And a heart of steel, always on her own

Almost never real

[Chorus]

D **A**
When the night will be begin
 Bm **G** **D**
The pain it won t end even if she falls in love
 A **Bm**
Fact You wanna to turn back your heart will attack
 G
Even if she falls in love

[Verse 2]

D
And their she was, like a blade of ice
 G
Like a Lonely road, clear day of life
 Bm **A**
Always sharp and cold, always beautiful
 D
I am such a fool

[Chorus]

D **A**
When the, night will be begin
 Bm **G** **D**
The pain it won t end even if she falls in love
 A **Bm**
Fact You wanna to turn back, your heart will attack
 G
Even if she falls in love

[Outrol]

D **A**
Try to look in her eyes,
 Bm
the light is just right
 G
Even if she falls in love

D A

And it isn't so bad,

Bm

G

D

It's driving you mad even if she falls in love
