Intro

I never found out why you left him

B5

But this answer begs that question

B5

Too blind to see tomorrow

B5

Too broke to beg or borrow

B5

Young and Stupid, left wide open

Hearts are wasted, lives are broken

(play main riff)

Verse 1

One more point of contention

I need some intervention

Approached with vague intentions

Betray my short attention

Span the distance, bridge the border

(play main riff-----)

Beg forgiveness, round the corner

-----)

Chorus

Everytime I look for you the sun goes down

B5

And I stumble when this whole thing runs around

B5

I left another message, you are never around

B5

But everytime I look for you the sun goes down once more

B5

E5

Will the last one out please shut the door

E5

(play main riff)

Verse 2

More time apart will give you

A few more months to argue

Is this too much to live through

It always seems too far to

Drive the point home

(play main riff-----

Send more letters

Pray tomorrow

Ends up better
-----)
