Verse 1:
G                       A
  This air is too thick
                    Em
to breathe So just drive
G
  These eyes are
     A
too sick to see
            Em
Don t leave me behind
G                               A
  Something s swimming in my blood
                            Em
Something s rotting in my brain
When I m smothered from the blood
                        G
I can t recognize your face
   A                     Em
I need to leave So just drive

Chorus 1:
C
  Burning lights on the street
                          Em
I m fight fighting the gravity
                    Am
fight fighting the gravity
C
  When I m beat and defeated
They ll take you away from
                  Am
Take take you away from me
C
  Dead and lost in a dream
            Em
This is the last of me
                  Am
This this is the last of me
                    C
This this is the last of me
                        G       Am Em(hold) Em
I m always fighting the gravity

Verse 2:
G                   A
  Tonight is too much for me
       Em
To get through
Em                       A
   Tommorow s just a darkened hall
```

```
        Em
To an empty room

When I m far away from you

Chorus 2:
C
  Burning lights on the street
                       Bm
I m fight fighting the gravity
                    Am
fight fighting the gravity
C
  When I m beat and defeated
              Am
They ll take you away from
Take take you away from me
C
  Dead and lost in a dream
             Em
This is the last of me
                  Am
This this is the last of me
                 C
This this is the last of me
                          G         Am
I m always fighting the gravity
