Hello there, the angel from my nightmare
SOL#m FA#/LA#
the shadow in the background of the morgue

The unsuspecting victim of darkness in the valley
SOL#m FA#/LA#
we can live like Jack and Sally if we want
SI
Where you can always find me
FA#/LA#
We ll have Halloween on Christmas
SOL#m FA#/LA#
And in the night we ll wish this never ends
SI
We ll wish this never ends

catching things and eating their insides

like indecision to call you and hear your voice of treason
SOL#m FA#/LA#
will you come home and stop this pain tonight
