

Cause in the end it s fucking useless

G **D**
You can only lean on me for so long
Em **C**
Bring the ship about to watch a friend drown
G **D**
Sit out on the ledge, begged you to come down
Em **C**
You can only lean on me for so long

Interlude: G--Bm-Em-C-D x2

Verse 2:

G
I remember shots
Bm
without a chaser
Em **C**
Absent minded thoughts now
D
you re a stanger
G
Cover up the scars
Bm
Put on your game face
Em **C**
Left you in a bar to
D
try and save face
G **D**
You can only lean on me for so long
Em **C**
Bring the ship about to watch a friend drown
G **D**
Sit out on the ledge, begged you to come down
Em **C**
You can only lean on me for so long

Chorus:

G **Am** **C**
So sorry it s over so sorry it s over
G **Am** **C**
So sorry it s over so sorry it s over
G **Am**
There so much more that I wanted and
(So sorry it s over)
C
There so much more that I needed and
(So Sorry it over)
G **Am** **C**

Time keeps moving on and on and on
D(hold)
Soon we ll all be gone

Interlude: G--Bm-Em-C-D x2, G-D-Em-C x2

Outro: Bass Solo

G **C**
Man on a mission can t say
I miss him around
G **Am**
Insider information
C
hand in your resignation
G **C**
Loss of a good friend best
of intentions I found
G **Am**
Tight lipped procrastination
C **D** **G**(hold)
Yeah later see you around
