```
Cause in the end it s fucking useless
You can only lean on me for so long
Bring the ship about to watch a friend drown
Sit out on the ledge, begged you to come down
You can only lean on me for so long
Interlude: G--Bm-Em-C-D x2
Verse 2:
I remember shots
             Bm
without a chaser
Absent minded thoughts now
you re a stanger
Cover up the scars
Put on your game face
Left you in a bar to
try and save face
You can only lean on me for so long
Bring the ship about to watch a friend drown
Sit out on the ledge, begged you to come down
You can only lean on me for so long
Chorus:
         Am
 So sorry it s over so sorry it s over
 So sorry it s over so sorry it s over
There so much more that I wanted and
(So sorry it s over)
There so much more that I needed and
(So Sorry it over)
