Intro:  
[whisper]  
Here you go  
motherfuckers...

Verse 1:

**B**  
Do you want to  
**E**  
come to a party  
My friends picked me  
**C#m** **E**  
up in their truck at 11:30  
**B**  
These things at a frat house  
**E**  
but the people are cool there  
**C#m**  
Reluctant I followed but  
**E**  
I never dreamed there  
**B**  
Would be someone there who  
**E**  
would catch my attention  
**C#m**  
I wasn't out searching  
**E**  
for love or affection

**B**

So I paid my three and

**E**

the girls got in free

**C#m**

Shine the beer for tequila

**E**

**F#**

**B**

and we headed into the party

Verse 2:

**B**

And then in the backyard

**E**

some terrible ska band

**C#m**

Someone in the background

**E**

was doing a keg stand

**B**

This place is so lame all

**E**

these girls look the same

**C#m**

All these guys have no game

**E**

I wish I would have stayed

**B**

In my bed back at home

**E**

watching TV alone

**C#m**

Where I d put on some porn

**E**

or have sex on the phone

**B**

Far from people I hate down

**E**

from anywhere state

**C#m**

Trying to intoxicate girls

**E**

to give them head

**F#**

**B**

after the party

Refrain 1:

**B**

**C#m**

And then I saw

**E**

her standing there

**F#**

With green eyes and

**B**

long blond hair

**C#m**

**E**

She wasn't wearing underwear

**F#**

at least I prayed that

**B**

**C#m**

She might be the one

**E**

**F#**

maybe we'd have some fun

**B**

**C#m**

Maybe we'd watch the sun rise

**E**

But that night I learned

**F#**

some girls try too hard

Chorus 1:

**B**

na na na

**E**

na na na

**C#m**

na na na

**E**

Some girls

try too hard

**B**

na na na

**E**

na na na

**C#m**

na na na

**E**

Some girls

**B**

try too hard

**E**

to impress

**C#m**

With the way

**E**

that they dress

**B**

With those things

**E**

on their chests

**C#m**

And the things

**E**

they suggest to me

Verse 3:

**B**  
I couldn't believe what  
**E**  
this lady was saying  
**C#m**  
The names she was dropping  
**E**  
the games she was playing  
**B**  
She dated this guy who  
**E**  
now rides for Black Flys  
**C#m**  
How she's down with Iwise  
**E**  
well constructed disguise  
**B**  
Now I'd rather go dateless than  
**E**  
stay here and hate this  
**C#m**  
Her volume of makeup her  
**E**  
fake tits were tasteless  
**B**  
So I said I'd call her  
**E**  
but never would bother  
**C#m**  
Until I got turned down by  
**E** **F#** **B**  
another girl at a party

Refrain 2:

**B** **C#m**  
So when you see  
**E**  
her standing there  
**F#**  
With green eyes and  
**B**  
long blonde hair  
She won't be  
**C#m** **E**  
wearing underwear  
**F#**  
and you'll discover  
**B** **C#m**  
This girl's not the one  
**E** **F#**  
and she'll never be fun

**B** **C#m**  
You should just turn and run  
**E**  
Because you ll find out that  
**F#**  
some girls try too hard

Chorus 2:

**B**  
na na na  
**E**  
na na na  
**C#m**  
na na na  
**E**  
Some girls  
try too hard  
**B**  
na na na  
**E**  
na na na  
**C#m**  
na na na  
**E**  
Some girls  
**B**  
try too hard  
**E**  
to impress  
**C#m**  
With the way  
**E**  
that they dress  
**B**  
With those things  
**E**  
on their chests  
**C#m**  
And the things  
**E**  
they suggest to me  
**B**  
na na na  
**E**  
na na na  
**C#m**  
na na na  
**E**  
Some girls  
try too hard  
**B**  
na na na

**E**

na na na

**C#m**

na na na

**E**

Some girls

**B**(hold)

try too hard
