Verse 1: В Do you want to come to a party My friends picked me C#m up in their truck at 11:30 These things at a frat house but the people are cool there Reluctant I followed but I never dreamed there Would be someone there who would catch my attention I wasn t out searching

for love or affection

```
В
So I paid my three and
the girls got in free
         C#m
Shine the beer for tequila
       F#
and we headed into the party
Verse 2:
And then in the backyard
some terrible ska band
   C#m
Someone in the background
was doing a keg stand
This place is so lame all
these girls look the same
         C#m
All these guys have no game
I wish I would have stayed
In my bed back at home
        Е
watching TV alone
         C#m
Where I d put on some porn
or have sex on the phone
Far from people I hate down
from anywhere state
         C#m
Trying to intoxicate girls
to give them head
F#
after the party
Refrain 1:
 And then I saw
```

her standing there

F#

```
With green eyes and
long blond hair
          C#m
She wasn t wearing underwear
          F#
at least I prayed that
She might be the one
maybe we d have some fun
Maybe we d watch the sun rise
But that night I learned
F#
some girls try too hard
Chorus 1:
 na na na
 na na na
C#m
 na na na
Some girls
try too hard
 na na na
 na na na
C#m
 na na na
Some girls
      В
try too hard
    E
to impress
       C#m
With the way
that they dress
With those things
on their chests
       C#m
And the things
they suggest to me
```

```
Verse 3:
I couldn t believe what
this lady was saying
    C#m
The names she was dropping
the games she was playing
She dated this guy who
now rides for Black Flys
         C#m
How she s down with Iwise
       E
well constructed disguise
Now I d rather go dateless than
stay here and hate this
    C#m
Her volume of makeup her
fake tits were tasteless
So I said I d call her
but never would bother
Until I got turned down by
       F#
another girl at a party
Refrain 2:
B C#m
 So when you see
her standing there
          F#
With green eyes and
           В
long blonde hair
She won t be
C#m
wearing underwear
and you ll discover
This girl s not the one
          E
and she ll never be fun
```

```
C#m
           В
You should just turn and run
Because you ll find out that
some girls try too hard
Chorus 2:
 na na na
 na na na
C#m
 na na na
E
Some girls
try too hard
 na na na
 na na na
C#m
 na na na
E
Some girls
try too hard
    Е
to impress
        C#m
With the way
         E
that they dress
          В
With those things
        E
on their chests
       C#m
And the things
       E
they suggest to me
 na na na
 na na na
 na na na
Some girls
try too hard
 na na na
```

try too hard
