Reckless Abandon
blink-182

```
B                              E
On, on and on reckless abandon/ somthings wrong this is gonna shock them/
G#        F#        E
Nothing to hold on to we ll use this song to lead you on
```

Then Tom plays a single string thingy, but i m running short on time so i wont
be able to tab it out.

```
B                      F#                    B
I learned alot today/not sure if I ll get l**d/not sure if I ll fail or
     F#                         B                          F#
pass/ kissed every girl in class/ everybody would waste it all/ to have a
                               B                    E
summer that they could call/ a memory thats full of fun f**ked up when it s
```

all done.

```
B                              E
On, on and on reckless abandon/ somthings wrong this is gonna shock them/
G#        F#        E                                B
Nothing to hold on to we ll use this song to lead you on/and break the truth
              F#
with more bad news/ we left a scar size exta large
```

```
B                                                    F#
Sip a drink of the alcohol/ end up kneeling in bathroom stalls/ eyes are
                                           B
red, my movements slow/ to high got vertigo/he toke a s**t in the bothroom
    F#                        B                         F#
tub and fed the dong the brownie drug tried hard to not get cought/ he
```

f**ked a chick in a parking lot

```
B                              E
On, on and on reckless abandon/ somthings wrong this is gonna shock them/
G#        F#        E                                B
Nothing to hold on to we ll use this song to lead you on/and break the truth
              F#
with more bad news/ we left a scar size exta large
```

The bidge is the is the same as the verse.
