Intro: Em--C--G--Am-C x2

Chorus:

**Em**  
This is the first  
(thing I remember)  
**C**  
Now it s the last  
(thing left on my mind)  
**G**  
Afraid of the dark  
(do you hear me whisper)  
**Am**  
An empty heart  
**D/F#**  
(replaced with paranoia)  
**Em**  
Where do we go  
(life s temporary)  
**C**  
After we re gone  
(like new years resolutions)  
**G**  
Why is this hard  
(do you recognize me)

**Am**

I know I m wrong

**D/F#**

(but I can t help believing)

Interlude: Em--G/B-C- x4

Em--C--G--Am-D/F#

Verse:

**Em**

I m so lost

**C**

I m barely here

**G**

I wish I could

**Am**

explain myself

**D/F#**

But words escape me

**Em**

It s too late

**C**

To save me

**G**

You re too late

**G**(hold)

You re too late

Bridge:

**Em**

You re cold with

**C**

disappointment

While I m drowning

**G**

in the next room

**Am**

The last contagious victim

**C**

of this plague between us

**Em**

**C**

I m sick with apprehension

**G**

I m crippled from exhaustion

**Am**

And I dread the moment when

**C**

you finally come to kill me

(Repeat Chorus)

Outro: **Em**(hold)
