My Dearest

Em
 I ve missed you very
 very much since that
 last night we were together
C
 and will hold that night
 especially in my memories
 for years to come
Em
 I ve been turning it over
 and over in my mind lately

I ve read your letter

C

through at least four times
and will probably read it
more times before I m through

G

I ve been sitting here
looking at your picture

D/F#

and getting more homesick
every minute

Em

I ve wanted that picture
more than anything else I
know of except of course
you yourself

C

I keep thinking
of you darling
I keep wishing I could

Em

be home with you
I want to leave in the
worst possible way

C

So I can come home
to see you but
Things don t look so
good on that subject

Em

And this war has spoiled a lot
of things for everyone I guess

C

I ve never been so lonesome
in my life as I am right now

G

I m completely lost
without you darling

D/F#

I never realized I could miss
any one person so much

Em

I just hope it
won t be too much
longer until I m able
to be with you again

C

And live a sane
and normal life
