c5 pm----- A5----- F5----

And when the day ends I m sure she feels sorrow  
(repeat last part)

The lonely guy I am, I like to watch her change

**C5** **A5** **F5**  
I ve been here two days, I ll sure be here tomorrow  
**C5** **A5**  
I d eat her all if she were on my dinner plate

Chorus:

(and I wish)

I wish she d be more kind now (fill 1 once)

**G5 F5 C5 G5**  
I m out of luck cause the shades are pulled down  
**G5 F5 C5 G5**  
I ve seen everything there is to be shown  
**G5 F5**  
I followed her all the way home (fill 1 twice)

Verse 2:

(repeat same crap from last verse)

I can t be too cool in a tree with my pants down  
The air is cold and I ve got splinters in my feet  
She caught me once, but I don t think that she cares now  
Unlike before, her view is blocked by a leaf

(same crap as the chorus)

I wish she d be more kind now  
I m out of luck cause the shades are pulled down  
I ve seen everything there is to be shown  
I followed her all the way home

Bridge:

**C5 G5 F5 F5** (use the same chords in the next 2  
lines  
I bet this last time s the one time too many  
The rush of waiting is burning in my head  
Right after supper her brother shower s twice a week  
He kicks my ass so much, that filthy white inbred

(repeat crap from verse)

I ve made mistakes by looking in the wrong window  
Her dad is big and I ve never seen his face  
I ve been here two days, and I ll sure be here tomorrow  
My lady s so sweet, she likes to entertain

(And I wish)

I wish she d be more kind now  
I m out of luck cause the shades are pulled down  
I ve seen everything there is to be shown  
I followed her all the way home
