I took her out it

**B F# C#**  
I wore cologne to  
**D#m B**

**F# C#**  
We started making out and  
**D#m B**  
she took off my pants  
**F# C#**  
But then I turned on the TV

[Chorus 1]

**B**  
And that s about the  
**F#**  
time she walked away from  
**C# D#m B**  
me Nobody likes you  
**F# C#**  
when you re twenty-three  
**D#m B**

And are still more  
                  **F# C#**  
amused by TV shows  
**D#m**                  **B**  
What the hell is ADD?

**F#**  
My friends say I  
                  **C#**

**D#m**  
What s my age again?  
**C#**

**F#**  
Then later on  
**C#**                  **D#m**  
on the drive home  
**B**                  **F#**  
I called her mom  
**C#**                  **D#m**  
from a pay phone  
**B**                  **F#**  
I said I was the cops  
**C#**                  **D#m**  
And your husband s in  
                  **B**  
jail This state looks  
**F#**                  **C#**  
down on sodomy

[Chorus 2]

**B**  
And that s about the time  
                  **F# C#**  
that bitch hung up on me  
**D#m**                  **B**  
Nobody likes you when  
                  **F# C#**  
you re twenty-three  
**D#m**                  **B**  
And are still more amused  
                  **F# C#**

by prank phone calls

**D#m** **B**  
What the hell is caller ID?  
**F#** **C#**  
My friends say I should act  
**D#m**  
my age What s my age again?  
**C#**  
What s my age again?

[Interlude]

D#m--C#--B--C#-- x3, D#m--C#--B--

[Chorus 3]

**C#**  
And that s about the time  
**F#** **C#**  
she walked away from me  
**D#m** **B**  
Nobody likes you when  
**F#** **C#**  
you re twenty-three  
**D#m** **B**  
And you still act like  
**F#**  
you re in Freshman  
**C#** **D#m**  
year What the hell  
**B**  
is wrong with me?  
**F#**  
My friends say I  
**C#**  
should act my age  
**D#m**  
What s my age again?

[Chorus 4]

**C#**  
And that s about the  
**F#**  
time she broke up with  
**C#** **D#m** **B**  
me No one should take  
**F#** **C#**  
themselves so seriously  
**D#m** **B**

With many years  
          **F#**  
ahead to fall in  
**C#**  **D#m**  
line Why would you  
          **B**  
wish that on me?  
          **F#**                  **C#**  
I never want to act my  
          **D#m**  
age What s my age again?  
**C#**  
  What s my age again?
