**Am      F      C      Dm**

**Am      F                    C                    Dm                    Am**  
Been gone a long time, I kinda lost my way, can t find it  
**F                    C                    Dm                    Am**  
And I caught a short ride to the grave and back this season  
**F                    C                    Dm                    Am**  
I try to get by but every time I start to panic  
**F                    C                    Dm**  
I m a little bit shy, a bit strange and a little bit manic

**Am      F**  
La da da da, da da da da  
**C                    Dm**  
La da da da, da da da da da  
**Am      F**  
La da da da, da da da da

La da da da, da da da da da

**C                    G**  
I went to a wishing well,  
**Am**  
and sank to the ocean floor  
**F**  
Got cut on the sharpened rocks  
**C**  
and washed out along the shore  
**G**  
I reached for a shooting star,  
**Am**  
it burnt a hole through my hand  
**F**

and made it s way through my heart

**A<sub>m</sub>**      **F**      **C**      **D<sub>m</sub>**

have fun in the promised land

**A<sub>m</sub>**      **F**      **C**      **D<sub>m</sub>**

**A<sub>m</sub>**      **F**      **C**      **D<sub>m</sub>**      **A<sub>m</sub>**

On a narrowing line, what a way to short my troubles

In a very short time, gonna pop, better duck and cover

**F**      **C**      **D<sub>m</sub>**      **A<sub>m</sub>**

Can to figure me out, I got caught like a little kid stealing

**F**      **C**      **D<sub>m</sub>**

Did I say it too loud? A bit hard or a little misleading

**A<sub>m</sub>**      **F**

La da da da, da da da da

**C**      **D<sub>m</sub>**

La da da da, da da da da da
