Intro:

A **Asus4** **A** **Asus4**
G **Gsus4** **G** **Gsus4**

A **Asus4** **A** **Asus4**
The weather's like feathers on fire
G **Gsus4** **G** **Gsus4**
The ground's like a sound in my feet
I can't stop my shaking I've been traveling so low
And the shoes I've been wearing well they're long and somewhat slow

C **C/B** **Am** **Am7/G** **Dm** **G** ***Gsus4** **G**
And a giant waking bird shakes the trees above my head
B7 **E** **A** ****A7/G** **D**
Stolen shoes and a rifle, I just can't seem to stay dead

*quick hammer on and pull off from G to Gsus4 and back

**in the song, the G note is hit first, followed by the A7 chord.
this is hard -- alternatively just play A7 by itself x02020, or
hit fret 3 of the low E string while letting the A chord ring.

G **C** **G** **Dm**
Oh the stones won't be lonely here
***C** **G**
This year he's gone, yeah

* he actually does a hammer on here, going from

x30010 to x32010

back to intro and repeat.
