A Weekend In The City

Tabbed By: Jim Files (*)

My favourite song off their brilliant new album, no other tabs out there yet so thought

do a quick one

p.s. im not sure whereabouts this is played on the guitar (maybe lower on the neck) but

ok, i haven t seen much live stuff on this song.

Comments & corrections welcome, cheers.

Outro

This is the After sex bit, first just play the main riff a few times then play the before about half wa through adding in this little outro riff
