# Waves

# Blondfire

Blondfire, Waves.

This is very easy. I don t know, I may be way off. Sounds good to me like this just guitar and vocals.

Listen to the song for strumming pattern.

Capo 2nd fret

Dm, Dm, C, G

you hear them when you try to fall asleep they crash to the shore, they come from the deep as sure as the sun will rise, the sun will set you taste the salt the closer you get

### waves

picking you up pushing you down they re always around

# waves

just like dream
silver and green
we live in between

they can carry you all the way to me they can pull you out to the deep blue sea oh waves, there are waves

empires will crumble to the sand all that you love can slip through your hand but you must face the ocean once again follow the tides, wherever you we been
