No, I don't believe in luck.  
No, I don't believe in circumstance no more.  
Acci-dents never happen in a perfect world,  
so I won't believe in luck.

**C G Am**  
I saw you walking in the dark,  
so I slipped behind your footsteps for a while.  
Caught you turning round the block...  
Fancy meeting in a smaller world, after all,

**Am B C G Am**  
accidents never happen. Could have planned it all.

**Am B C G Am**  
Precognition in my ears.

**Am B C G Am**  
Accidents never happen in a perfect world.

**Am B C G Am**  
Complications disappear.

**Em G Am C**  
Now you love me.

**F G**  
I, yeah, I can tell.

**Em Am**  
I never lied.

**Em C**  
I never cried.

**Dm G**  
And you, you knew so well.

**C G Am**  
Like the Magi on the hill,  
I can divinate your presence from afar.  
And I'll follow you until  
I can bring you to a perfect world.
