**Heart of Glass**
**Blondie**

INTRO: **E  B7**/ **E B7**/ **E B7**/ **E B7**/

V 1.     **E**                                   **C#**
         Once I had a love and it was a gas
         **C#m**                            **E**
         Soon turned out had a heart of glass
         **E**                              **C#**
         Seemed like the real thing, only to find
         **C#m**                    **E**    **B7**   **E**   **B7**   **E**   **B7**  **E**
**B7**
         much o  mistrust , Love s gone behind

V 2.     **E**                                   **C#**
         Once I had a love and it was divine
         **C#m**                       **E**
         Soon found out I was losing my mind
         **E**                         **C#**
         It seemed like the real thing but I was so blind
         **C#m**                            **E**
         Much o  mistrust , Love s gone behind

CHORUS:  **A**                                            **E**
         In between what I find is pleasing and I m feeling fine
                                           **A**
         Love is so confusing, there s no peace of mind

         If I fear I m losing you
         **F#**                    **B**                 **E  B7** ... LIK**E** INTRO
         It s just no good, you teasing like you do

V 3.     **E**                               **C#**      (SAM**E** CHORDS THAN VERS**E** 1
AND 2)
         Once I had a love and it was a gas
         Soon turned out had a heart
         of glass
         Seemed like the real thing, only to find
         much o  mistrust
         Love s gone behind

CHORUS2: **A**                                          **E**

```
                    Lost inside, Adorable illusion and I cannot hide
                                                      A
                    I m the one you re using please don t push me aside
                                                    E...
                    We coulda made it cruising yeah

            ORGAN SOLO: A      E      A      E      F#      B

                    A
                    La, La, La, La, La, La, La, La, La, La La
                    E
                    La, La, La, La, La, La, La, La, La, La La
                    A
                    La, La, La, La, La, La, La, La, La, La La
                    F#                      B
                    Yeah, riding high on love s true bluish light

                    E
                    Ooh, oh
                    Ooh, oh
                    Ooh, oh
                    Ooh, oh

      V 4.          E                              C#... (LIKE OTHER VERSES)
                    Once I had a love and it was a gas
                    Soon turned out to be a pain in the ass
                    Seemed like the real thing only to find much o  mistrust
                    Love s gone behind

        CHORUS:     A                                            E
                    In between what I find is pleasing and I m feeling fine
                                                      A
                    Love is so confusing, there s no peace of mind

                    If I fear I m losing you
                    F#                      B
                    It s just no good, you teasing like you do

   CODA-FINALE :    A
                    La, La, La, La, La, La, La, La, La, La La
                     E
                    La, La, La, La, La, La, La, La, La, La La
                     A
                    La, La, La, La, La, La, La, La, La, La La
                     F#              B
                    Laaaa...    (repeat CODA AND FADE)
```
