**E A E A**

Shayla worked in a factory.

**E A**

She wasn't history.

**E**

She's just a number.

One day she gets her

**E A E A E**

final pay and she goes far away.

All alone, trapped by its beauty.

Shayla turned to run away, to

**E**

leave in peace and end her stay.

Years of fear were in her way.

**E**

Lost in space and down she came.

**A F#m E x2**
