

Slow Motion
Blondie

(intro 2x) C G Am C

C Am G
What s all that commotion going on?
Am F
The boy in the back on his second attack
C G
Wants his baby back (wants his baby back)
C Am G
What s all that commotion that you hear?
Am F
The girl in the back who was doing the quake
C G
Got a belly-ache, she can t concentrate
C Am G
Pick up the beat, you can move like you re made out of vapour
Am F
Catch me if you can is what she said with her hands
C G
Come on and take me back (can you take her back?)
C Am
When she gives you the beat and you get the shine
G
The world slows down and she stops on a dime
Am F
Got a number when you close your eyes
C G
Like a real magician
Em G Em
Still she knows she ll never lose a thing
C D
She can put you up on a shelf until she wants to pull the string
Em G Em
Still you know she ll never slip away
C D
Keep time in your head, counting in your head

C Am
Slow motion, I can play with time
G
I can keep today but tomorrow s fine
Am F C G
Stop and look at the pictures rolling in your head
C Am
Slow motion, you can play with time
G
You can leave her today but tomorrow s fine

Am **F**

Stop and live in your dreams at night

C	G
Rolling in your bed	

Em **G** **Em**
Still she knows she ll never lose a thing
C **D**
Keep time in your head, counting in your head

c (intro 4x)

Slow motion, you can stop on a dime
Slow motion, you ought to try it sometime
Take me back on another track
Take me back, take me back
Slow motion, you can pick up the beat
Slow motion, you can stop on the street
Take me back on another track
Take me back, take me back
Slow motion, you can stop on a dime
Slow motion, you ought to try it sometime
Take me back on another track
Take me back, take me back
Slow motion, you can pick up the beat
Slow motion, you can stop on the street
Take me back on another track
Take me back, take me back
