

X- Offender

Blondie

First, there s an introduction theme:

E A B E A B

THEN, the chords to X Offender:

E A B E
You read me my rights and then you said lets go and nothing more

A B
I thought of my nights and how they were they were filled with

A B
I know you wouldn t go you d watch my heart burst then you d step in

G#m A E
I had to know so I asked, you just had to laugh.

A B E
We sat in the night with my hands cuffed at my side

A B A
I looked at your light and your style i wanted nothing more

G#m A E
I know you wouldn t go you d watch my heart burst then you d step in

A E
I had to know so i asked you just had to laugh
(none)

Walking the line you were a marksman

told me that law like wine is ageless, public defender

You had to admit you wanted the love of a sex offender

Solo(i can t read tab, or i d write it out for you)

A B
I know you wouldn t go you d watch my heart burst then you d step in

G#m A E
I had to know so I asked you just had to laugh

E A B E
My vision is blue, I call you from inside my cell

A B E
And in the trial you were there with your badge and rubber boots

A B E
I think of a time when i can perpetrav love with you.

A B E
When I get out there s no doubt I ll be sex offensive to you.
