

**Frankenstein Plus Bride  
Blood On The Dance Floor**

Capo 2

**G D E E G D**  
Take the love Multiply it by infinity And take it to the depths of  
**E E**  
forever And you would still only have a glimpse of how I feel for you

**G D E E X 2**

**G D E E G D E E**  
I was created from spare parts A mad mans brain and a loving mans heart

**G D E E G D E E**  
You took my breath away When I saw you on that day

**G D E E G D E E**  
One look into her eyes Could kick start a dead man s heart

**G D E E**  
You leave me electrified Your love brings me back to life

**G D E E**  
It s alive! It s alive! This burning love deep inside

**G D E E**  
I ll be your bride You ll be my Frankenstein

**G D E E**  
You and I until we die Our hearts will always survive

**G D E E**  
Oh monster, my monster the only one that sees me

**G D E E G D E E**  
I didn t ever mean to make you cry When I saw you I felt so terrified

**G D E E**  
Sudden life and monsters right by my side

**G D E E**  
Well, Can t you see how it looked through my eyes

**G (hold) D(hold)**  
You leave me electrified Your love brings me back to life

**G D E E**

It s Alive It s Alive                      This burning love deep inside

**G**                      **D**                      **E**                      **E**  
I ll be your bride                      You ll be my Frankenstein

**G**                      **D**                      **E**                      **E**  
I need you You need me You totally complete me

**G**                      **D**                      **E**                      **E**  
Oh monster my monster                      the only that sees me

**G D E E X 2**

**G**                      **D**                      **E**                      **E**  
Save me from my solitude                      Say you want me with you

**G**                      **D**                      **E**                      **E**  
Where you are I am too                      Love me, This I ask of you (its a love, its a love)

**G**                      **D**                      **E**                      **E**  
This burning love deep inside                      I ll be your bride                      You ll be my Frankenstein

**G**                      **D**                      **E**                      **E**  
You and I until we die                      our hearts will always survive

**G**                      **D**                      **E**                      **E**  
Oh monster, my monster                      the only one that sees me

**G**                      **D**                      **E**                      **E**                      X 2  
(Woah-oh-oh-woah-oh-oh-woah-oh-oh-oh-oh-oh) X 2

**G**                      **D**                      **E**                      **E** (hold)  
The only one that sees me for who I truly am
