Have it your way,  
We ll have the answers in a week (ooh ooh ah ah oh)  
We ll take the measurements  
And work it out with the sums (ooh ooh ah ah oh)  
Coz their way, what a way

Anyhow it doesn't matter much (oooh oooh ah ah oh)  
Coz their way, what a way.  
Anyhow now it's got stuck  
It just wasn't enough

YEAH YEAH YEAH YEAH  
Low low low... low low low  
YEAH YEAH YEAH YEAH  
find a reason why, find a reason why.

Pay attention son  
You might learn something (oooh oooh ah ah oh)  
work real hard at it  
and just look what you could be (oooh oooh ah ah oh)  
you soak it up every word of advice  
still it's missing (oooh oooh ah ah oh)  
searching for something so invisible  
raise your glasses  
to cheer for what your not

YEAH YEAH YEAH YEAH  
low low low... low low low  
YEAH YEAH YEAH YEAH  
find a reason why, find a reason why.

Low low low... low low low  
YEAH YEAH YEAH YEAH  
find a reason why find a reason why I.....
