[Verse 1]

Am7

I can t quit her
She s got a hold on me
She got her hand on my soul

D

I can t quit her

G Em

Cause I see her face everywhere I go

[Chorus 1]

E Am

In the city streets, in the country fields

G

In the back of my mind

D

I know it can t be real

Dm

For a woman to possess

E Am

All the tenderness she had

E

But the hands of time

F

Keep tickin on my back

Em7

Cause it s been so long

E Am7

Since I had her back beside me

D7

G

E7

Yeah, I know

[Verse 2]

Am7

I can t quit her
Cause on my darkest night
She comes on like a light

D7

I can t quite her

G Em

Try as I may, with all my might

A

She had a woman s touch

E
And a young girls eyes
G **D**
And in seconds flat I was proselytized

Turned around
E **Am**
And made to feel sweet love
E
But the hands of time
F
Keep tickin on my back
Em
Cause it s been so long
E **Am**
Since I had her back beside me
Em
True love is somethin
D
Ev ry young boy knows about
C **G** **A**
And he fights his whole soul all the best to find some
Em
I was a young boy
D
Til I held her in my arms
C **G** **A**
Now I find that I m strung out behind some

[Bridge]
