

Between The Eyes
Blossoms

[Verse 1]

Bm

I lost my head this afternoon

Bm

Trying to find the words to use

F#m

Bm

I lose, I said I thought of you

Bm

You crept into my heart

Bm

There must've been a side door

F#m

Left unlocked

Bm

She said I've thought it too

[Chorus]

Bm

And into my arms

F#m

I've been down on my luck

Bm

Between the blood red drapes

F#m

I could see her calling

D

I liked you all the time

F#m

Between since there's a gap in my chest

Bm

A few inches wide

F#m

A kiss by the kitchen tide

Bm

Between the eyes

[Verse 2]

Bm

It makes me positively ill

Bm

Your sky is laced with tender red

F#m

Bm

Through, I said I've dreamt of you

Bm

It s like I ve been asleep for months

Bm

And my emotions flag me down

F#m

You said you thought it too

[Chorus]

Bm

And into my arms

F#m

I ve been down on my luck

Bm

Bmy the blood red drapes

F#m

I could see her calling

D

I liked you all the time

F#m

Bmut since there s a gap in my chest

Bm

A few inches wide

F#m

A kiss by the kitchen tide

Bm

Bmetween the eyes
