          G          D

[verse 2]

```
Days of roses and wine
Drifting astray
With your hand in mine
You stroke my fears away
And make me wanna stay
And bonfires lit up the shores
```

[chorus]

```
Walk far far away
```

To go beside you
Is where I want to be
Way far far away
To laugh, to love

Walk far far away
Where to go and hide?
We re going to the sea
Way far far away
To laugh, to love

[ending]
And this is how it went;
I am here to stay
Roaring with the wind
There s life within

This is what I give
A circle is complete
Another circle spins
There s life within
Within
