Listen to the song to know how to play it. This was my first tab so i hope you guys will find this helpfull since this is a great song!

Intro

**C#m - A - A# - A x2**

**C#m        A                    A#**  
We were lovers on the run  
**A                    C#m**  
Heading for adventure  
**A                    A#                    A**  
Ruinous and young

**C#m        A                    A#**  
We fled across the broken land  
**A                    C#m**  
Wild, deserted places  
**A                    A#                    A**  
And it went out of hand

**E                    G#**  
Watch your back  
**C#m**  
Stay with me  
**E                    G#                    C#m**  
Someone here could be an enemy  
**E                    G#**  
Watch your back  
**C#m**  
Don t you see  
**E                    G#                    C#m**  
One of us could be the enemy
