Ab **E**
Every morning, I put it on
Ab **E**
I walk outside, and I am gone
Ab **E**
And I don't seem to mind anymore
Ab **E**
I can't think what it was like before
F# **Ab**
I wore it all the time

Ab **E** (2x)
F# **Ab**
Oh, oh, oh

In the evening, I take it off
But there's another one underneath
And I can't seem to find the bottom of the stack
I might just lose my mind and never get it back
But at least I'll get inside

Oh, oh, oh

At least I'll get inside

Oh, oh, oh, oh

There's a feeling that I get sometimes
It's so small that it's easy to hide
It's like a howling voice from a distant past
It seems I've got no choice when it comes to this
It's building up inside

Oh, oh, oh

It's building up inside

Oh, oh, oh

Oh, oh, oh, oh

Oh, oh, oh, oh

Oh, oh, oh, oh
