

Burning In The Sun

Well I ve never put one of these on the web before, but this song was so good I had to contribute it. Forgive me, but I m so not good with chord names, so I ll just show them tabbed out as well. It s not hard at all, just listen to the song for the timing, rhythm, etc. Also, I m still figuring out the little bridge so that s not here.

Verse:

I thought I was a man;
I was ready to die for her

Losing my mind
Hearts break in the summer time
I m burning in the sun
And losing my mind

[bridge/instrumental break]

I had a girl,
she was the best around
Ya, Ya
It was it part of the plan,
was I suppose to do
Run, run, run

I m burning in the sun
I m losing my mind
Hearts break in the summer time
Ya
I m burning in the sun
Losing my mind
