Song: Mountain Girl
Artist: Blue Mountain
Album: Dog Days
Tabbed by: Julie Moffitt

I noticed there aren t any Blue Mountain songs are on OLGA so I thought I would put one up and see if someone else out there has any. I read somewhere that this is really played in DGDGAD tuning but I worked this out in standard tuning. Let me know what you think!

I don t know what chords exactly these are named so I m just naming them **G#(1)**, **G#(2)** and **G#(3)** If you use your pinky on the high G it is pretty easy. Listen to the song to get the rhythm right. There s more to this that needs to be tabbed out maybe someone can use this for a starting point.

	G1	G#2	G#3
e	3	3	3
B	0	0	3
G	0	2	0
D	0	0	0
A	x	x	x
E	3	3	3

Does anyone remember

Fm

Eb

Fm

Verse 2:

(same chords as Verse 1)

Built a box together, filled it full of songs

and buried it on the mountain beneath a pile of bones

Then we said goodbye forever, to the hell that was our home

and set out across the flatlands, for 40 years to roam

Repeat Chours
