Song: Mountain Girl
Artist: Blue Mountain
Album: Dog Days
Tabbed by: Julie Moffitt

I noticed there aren t any Blue Mountain songs are on OLGA so I thought
I would put one up and see if someone else out there has any.
I read somewhere that this is really played in DGDGAD tuning
but I worked this out in standard tuning. Let me know
what you think!

I don t know what chords exactly these are named so I m
just naming them **F(1)**, **F(2)** and **F(3)** If you use your
pinky on the high G it is pretty easy. Listen to the
song to get the rhythm right. There s more to
this that needs to be tabbed out maybe someone can use
this for a starting point.

	G1	F2	F3
e	3	3	3
B	0	0	3
G	0	2	0
D	0	0	0
A	x	x	x
E	3	3	3

Intro:

F(1) **F(2)** **F(3)** **Dm** **C** **Gm** }2X

Verse 1:

F

Does anyone remember

Dm

Does anybody care

C

The days we danced together

Gm

With feathers in our hair

F

Rivers ran together

Dm

To sing a crystal tune

C

Stones skipped on the water

Gm

Circles around the moon

Chorus:

Dm

Am

Oooh hey yea yea

Dm

When the full moon shines

Gm

The mountain pines are swaying

Dm

Am

Oooh yeah yea

Dm

Close your eyes and listen

Gm

To the guitars playing

F(like intro) **Dm C Gm** }2X

Verse 2:

(same chords as Verse 1)

Built a box together, filled it full of songs

and buried it on the mountain beneath a pile of bones

Then we said goodbye forever, to the hell that was our home

and set out across the flatlands, for 40 years to roam

Repeat Chours

Outro: **F**(like intro) **Dm C Gm** }2X
