Song: Wink  
 Artist: Blue Mountain  
 Album: Dog Days  
 Tabbed by: Clyde McGee

These are the chords to Wink in standard tuning. It sounds right, but it is not perfect. The first part starts out with G with bottom two fingers(I am not a guitar expert) we will just call them G1 and G2. Play G1 and then play a little on and off riff with the finger on the Bstring and one strum a G1 then a G2 and an open and change to C. Sorry it is so hard to read but it is the best I could do and it took me forever. Remember main riff is Intro.

-represents one strum.

	G1	G2	open	C	Am
e	2	2	0	0	0
B	2	0	0	1	1
G	0	0	0	0	2
D	0	0	0	2	2
A	2	2	0	3	0
E	3	3	0	0	0
