VERSE 2

How do you tell your Father,
That you want him to notice you?
Why does this seem like such a bother?
When mom says you d be better off dead
But I want to see you
I still want to see you
Oh would you call me?
Oh it s not hard too
I m the first one
Oh you gave birth to
And oh would you write me
On my birthday
Graduation, was yesterday
Yesterday
Oh...

VERSE 3

How do you hold the special victim?
When they push you away
When they ve been
Raped on the inside
Torn on the outside
The dirt and ugly from the stain that they try to hide
Touched in private places
Embarrassed faces
To scared to ask for help

CHORUS

Oh would you be me?
Because I would be you
Oh you d be happy
Only if you wanted to
And how would you treat me?
Because I would treat you
You d be happy
Only if you wanted to

OUTRO (same chords as intro)

I m wishing the bath water clean
She hides in the back and is unseen
I take off the mask that surrounds me
Look me in the face
What do you see?
