**G** **D**  
All my life been running from a pain in me  
**C** **D**  
A feeling I don t understand holding me down  
**G** **D**  
So, rain on me underwater, all I am, getting harder

A heavy weight I carry around.

Today  
**G** **D** **C**  
I don t have to fall apart  
**G** **D** **C**  
I don t have to be afraid  
**G** **D** **C**  
I don t have to let the damage consume me, my shadow see through me

==CHORUS

**C** **D** **Em** **D**  
Fear in itself will reel you in and spit you out  
**C**  
Over and over again  
**D** **G**  
Believe in yourself and you will walk  
**C** **D** **Em** **D**  
Fear in itself will use you up and break you down  
**C**  
like you were never enough  
**D** **G**  
Yeah I used to fall, now I get back up.
