

Hate Me
Blue October

(VERSE 1)

G
I have to block out thoughts of you so I don't lose my head

Em
They crawl in like a cockroach leaving babies in my bed

C
Dropping little reels of tape to remind me that I'm alone

Am
Playing movies in my head that make a porno feel like home

G
There's a burning in my pride, a nervous bleeding in my brain

Em
An ounce of peace is all I want for you. Will you never call again?

C
And will you never say that you love me just to put it in my face?

Am
And will you never try to reach me?

It is I that wanted space

(Chorus)

G
Hate me today

Em
Hate me tomorrow

C **D** **Em**
Hate me for all the things I didn't do for you

G
Hate me in ways

Em
Yeah ways hard to swallow

C **D** **G**
Hate me so you can finally see what's good for you

(Verse 2)

G
I'm sober now for 3 whole months it's one accomplishment that you helped me with

Em
The one thing that always tore us apart is the one thing I won't touch again

C
In a sick way I want to thank you for holding my head up late at night

Am
While I was busy waging wars on myself, you were trying to stop the fight

G
You never doubted my warped opinions on things like suicidal hate

Em

You made me compliment myself when it was way too hard to take

C

So Iâ€™ll drive so fucking far away that I never cross your mind

Am

And do whatever it takes in your heart to leave me behind

G

Hate me today

Em

Hate me tomorrow
