

Let It Go
Blue October

Intro:

e -----	
B -----	
G ---5-5-4-4--4h5p4-2-0---5---7--7/9---	3x
D -----3-----	
A -0~-----	
E -----	

(if you insist on strumming chords for the entire song, Am Am F Em sounds okay on the intro)

C
Where do you go
 F **C**
When the day is long
C
And where does your heart beat
 F **C**
And who is wrong

Am **F**
Why do I feel this way
 C
Why do I kneel
 Am **F**
How could I let it go
 C
Why do I feel

(pause here; strum 4 quick Fs, then hold out the C)

F **C**
 Why do I feel
F **C**
 Why
C **Am** **F** **C**
 How

C
Follow me home
 F **C**
Through the, the maize and awn
C
I ll show you the road
 F **C**
That I led you the wrong way on

Am F
Why did I go that way
C
Why do I steal
Am F
How could I let her go
C
Why do I feel

Am F
Oh why did I go that way
C
Why do I steal
Am F
How could I let her go
C
Why do I feel

-pause-

F C
Why do I feel
F C C
Why

A. then there's a little break (call it A) here with sort of a harmonica solo (transcribed for guitar below), go through Am F C C twice w/o vocals

Am F
Why did I go that way
C
Why do I need
Am F
How could I let her go
C
Why do I feel

B. at this point the harmonica cuts out and a really cool violin line (also transcribed for guitar below) starts, but there's no gap in the vocals

Am F
Oh why did I go that way
C
How could I steal
Am
Oh how could I
F
How could I

C

How could I

****violin line continues, go through Am F C C twice w/o vocals****

-pause-

F C

How could I
