

Say It
Blue October

Alright, a really easy song to play, but it s fun. The pattern is the same throughout all the verses, choruses, and bridge. Experiment with strumming patterns to add a little more depth to the song.
Mix it up a little. That said...

C--- G--- Am--- Am---
C--- G--- Am--- Am---

C
Itâ€™s all about steam
G
Itâ€™s all about dreams
Am
Itâ€™s all about making the best out of everything
C
Youâ€™ll know when your fine
G
Cause youâ€™ll talk like a mime
Am
And youâ€™ll fall on your face
You get back up and youâ€™re doing fine
C **G**
A considerate clown a preachy preaching machine
Am
Is one of the sweetest things you would say about me
C **G**
But I donâ€™t have the time for your distorted esteem
Am
Why are you toying with my mind

C **G**
I donâ€™t wanna hear you say say say say say say say say it
Am
I donâ€™t wanna hear you say say say say say say say it
C **G**
I donâ€™t wanna hear you say say say say say say say say it
Am
Now youâ€™re messing with my pride

C G Am Am x1 over solo

C
Look you think youâ€™re smarter than me

Well everyone knows you will never be smarter than me

That's how it goes

I gained forty pounds because of you

G

Was there an S on my chest

Am

Well I confess you were too much stress

I'd have a heart attack at best

And I spit it on the crowd cause they lift me up they lift me up they lift me up

When I'm feeling down

C
