Intro:

**C#**, **B**, **C#**  
**C#**, **B**, **C#**  
**C#**, **B**, **E**

**C#**        **B**                **C#**  
i see the sun go down on the river..  
          **C#**                **B**                **C#**  
i feel the wind blow out of state to gray,  
          **C#**        **B**                **C#**  
i feel the air around you its kinda closing in, do you feel it  
**C#**                                **B**                **E**  
fall or do you feel&#65279; at all. i can.  
          **C#**                **B**                **C#**  
i see the world keep moving as i stumble.  
          **C#**                **B**                **C#**  
they seem to move much faster than me,  
          **C#**                                **B**                **C# B E**  
and while i sit in my 4 cornered room dividing hearts for a little girl  
**C#**                                **B**                **E**  
well i cant be anything but who i am.  
                                  **C# B E**                                **C#**                                **B**  
and i wish you would stay, that was the beginning of the two of us, the  
          **A**  
start of our show.  
**A**        **B**        **C#**                                **A**                **B**        **E**  
stay stay stay oh i would never have let go.

**C#**        **B**                **C#**                                **C#**                                **B**  
i see the sun go up as your image and i feel the weight of your eyes as you  
**C#**  
stare  
          **C#**                **B**                **C#**                                **B**                **E**  
i feel&#65279; it all when you when you thirst when you kissed my lips  
          **C#**                                **B**  
you used to make&#65279; me feel at home you make me feel at home you make me  
feel  
**E**  
again

and thats when you used to say will you stay and not let go now its just  
 the 2 of us to think about the stars of our show  
 and u would say i wish you d stay and i d never go oh i will never let go!  
 so take this heart of mine youve taken it a hundred thousnd times yeah but this  
 time this time; im gonna take it away  
 i see the door close down behind you  
 i watch ur face turn from glow to straight grey  
 i see the moon go up and it shines this glory on my face who wouldve  
 known  
 who wouldve known who wouldve known  
 we would stay we should stay and never go oh no there s just 3 of us to to  
 think about now in our show our show our show  
 and i think we could stay we could stay and then we d know that we should  
 never let go  
 somethin to think about in her heart, just look into those big brown eyes  
 and you just fall part we should stay yes we d stay and we should know  
 that we should never let go no no let go go oh  
 i wish you d stay, wish you d stay
