Intro:

**C#**, **B**, **C#**  
**C#**, **B**, **C#**  
**C#**, **B**, **E**

**C#**    **B**                    **C#**  
i see the sun go down on the river..

**C#**                    **B**                    **C#**  
i feel the wind blow out of state to gray,

**C#**    **B**                    **C#**  
i feel the air around you its kinda closing in, do you feel it

**C#**                                    **B**                    **E**  
fall or do you feel at all. i can.

**C#**                    **B**                    **C#**  
i see the world keep moving as i stumble.

**C#**                    **B**                    **C#**  
they seem to move much faster than me,

**C#**                                    **B**                    **C# B E**  
and while i sit in my 4 cornered room dividing hearts for a little girl

**C#**                    **B**                    **E**  
well i cant be anything but who i am.

**C# B E**                                    **C#**                                    **B**  
and i wish you would stay, that was the beginning of the two of us, the

**A**  
start of our show.

**A**    **B**    **C#**                                    **A**                    **B**    **E**  
stay stay stay oh i would never have let go.

**C#**    **B**                    **C#**                                    **C#**                                    **B**  
i see the sun go up as your image and i feel the weight of your eyes as you

**C#**  
stare

**C#**                    **B**                    **C#**                                    **B**                    **E**  
i feel it all when you when you thirst when you kissed my lips

**C#**                                    **B**  
you used to make me feel at home you make me feel at home you make me

feel

**E**  
again

and thats when you used to say will you stay and not let go now its just  
 C# B E A E  
 the 2 of us to think about the stars of our show  
 A B C# A B E  
 and u would say i wish you d stay and i d never go oh i will never let go!  
 C#  
 so take this heart of mine youve taken it a hundred thousnd times yeah but this  
 time this time&#65279; im gonna take it away  
 C# B C#  
 i see the door close down behind you  
 C# B C#  
 i watch ur face turn from glow to straight grey  
 C# B C# B E A  
 i see the&#65279; moon go up and it shines this glory on my face who wouldve  
 known  
 B E  
 who wouldve known who wouldve known  
 C# B E A E C#  
 we would stay we should stay and never go oh no there s just 3 of us to to  
 B A  
 think about now in our show our show our show  
 A B C#  
 and i think we could stay we could stay and then we d know that we should  
 A B E  
 never let go  
 C# B E A-E C#  
 somethin to think about in her heart, just look into those big brown eyes  
 B A A B C#  
 and you just fall part we should stay yes we d stay and we should know  
 A B E A B E A B E  
 that we should never let go no no let go go oh  
 i wish you d stay, wish you d stay
