Intro: E B A

E B

Oh darling

A I

That's not the way it was planned

ЕВ

I know I kept you waiting

A E

I screwed up my timing again

F#m G#m A B

You told me the fears that were in your head

F#m G#m A B

Sitting there cross-legged on my bed

F#m G#m A E

Don't you stay away long that's what you said

So quickly

Summer ran right into spring
I see your face lying next to me
Just on the edge of my dreams
So tired I can't explain
I lost something precious that was in my hand
Let it all slip away slow like grains of sand

C#m

If you're through with me G#m

I guess I'll see

A E

When I'm standing at your door

B A

I finally got my balance back

В

To where I was before

C#m G#m

And I've never been so lonely

Α

So I'm singing a Skydiggers' song

E G#m

As I'm eating Arizona dust

A B I

And wishing I was home

REPEAT INTRO

Pedal steel solo on VERSE CHORDS

Organ solo on bridge chords

It's too hard to look back
When you don't like what you see
Pictures of all the people I love
I let them down so casually
You told me all the fears that were in your head
Sitting there cross-legged on my bed
Don't you stay away long that's what you said

If you're through with me
I guess I'll see
When I'm standing at your door
I finally got my balance back
To where I was before
And I've never been so lonely
So I'm singing a Skydiggers' song
As I'm eating Arizona dust
And wishing I was home

E B A

As $\hat{\text{Ia}} \in \mathbb{M}_m$ eating Arizona dust And wishing I was home

E B A

As $\hat{\operatorname{Ia}}\in^{\mathbb{M}}m$ eating Arizona dust And wishing I was home
