Intro - **G D Em D C**

G **Bm**
Every night a different story
C **G**
California dreams
G **Bm** **C** **D**
Grew up thinking there was somewhere else that you should be
G **Bm**
Cities just werenâ€™t big enough
C **G**
The towns had lost their way
G **Bm** **C** **D**
Told me you would bide your time til you could slip away
C **G**
When you left I drove you to the station
C **D**
Said youâ€™d come back when the hunger fades away

(CHORUS)

G D Em D C
Candice Iâ€™ve been dreaming
G **D** **Em** **D** **C**
And in my mind Iâ€™m watching over you just like the sun
G **D** **Em** **D** **C**
See your face but canâ€™t tell what youâ€™re thinking
Am **D**

Are you running through the past and where it's gone

Am D G D Em D C

Don't worry now the war's already won

D G D Em D C

The war's already won

G Em

Got a card the other day

C G

Capistrano Fair

G Bm C D

Told me it was beautiful now fall was in the air

G B

Swallows all were leaving

C G

They circled round the bay

But they'd come back there next year on exactly the same day

You told me that the leaving's getting easier with time

Cause you learned how not to ever look behind

(CHORUS)

G D Em D C

Candice I've been dreaming

G D Em D C

Don't worry now the war's already won

D G D Em D C

The war's already won

(INSTRUMENTAL VERSE)

I know that things will never be the same again for you

And I know your restless heart cannot be told

For every road you wish you'd traveled I can show you two

Where the summer rain shines like polished gold

(CHORUS)
