

Dark Angel
Blue Rodeo

Key: **G#**

[Note] I think this song sounds better on piano, like on the album, than on guitar. For easier playing on guitar, you could capo on the 3rd fret, and play in G relative to the capo position. In that case the chords would be **F Gm Bb C C#sus4 C/B** and **Dm** instead of **G# Cm C# Eb Ebsus4 Eb/D** and **Fm** respectively.

[Intro]

G# Eb/D C# Eb, G# Eb/D C# Eb Ebsus4 Eb

[Verse]

G# Cm C# G#
I met this girl, she walking through one of my dreams
G# Cm C# G#
She kissed my eyes and everything
Eb/D C# G#
that she said made so much sense
Eb/D C# C#sus2 G# Fm Eb Ebsus4 Eb
to me, that I still feel like I m half asleep

My dark angel, she gave me diamonds for eyes
She walked by, now I m hypnotized
By this dream that just won t stop
And I feel like I ve always been lost in this dream

Rumours of heaven only speed the truth on earth
My dark angel shine your lght on my curse
You are the other that I have to find
Until I do, guess I ll see you around in my mind

So Colorado is the place I have to go
I heard a rumour she loves the mountains and the snow
Well my dark angel, she gave me diamonds for eyes
My dark angel, I offer you my heart
My dark angel, think I loved you from the start

Cause there s this face that I know that I ve never seen
Sometimes I feel I m living in someone else s dream
Still I thank you for stopping to talk
And I wonder, just into who s dream did who walk.

G# Cm C# G#
Oh my dark angel
G# Cm C# C#
Shine your light on me

G# **C#** **G#** **C#** **G#**
Shine your light, Shine your light
 Eb **Ebsus4 Eb**
Shine your light
 C# **G#**
On me, on me.
