

**Dark Angel**  
**Blue Rodeo**

Key: **A**

[Note] I think this song sounds better on piano, like on the album, than on guitar. For easier playing on guitar, you could capo on the 3rd fret, and play in G relative to the capo position. In that case the chords would be **F# G#m B C# C#sus4 C#/B** and **Ebm** instead of **A C#m D E Esus4 E/D** and **F#m** respectively.

[Intro]

**A E/D D E, A E/D D E Esus4 E**

[Verse]

**A C#m D A**  
I met this girl, she walking through one of my dreams  
**A C#m D A**  
She kissed my eyes and everything  
**E/D D A**  
that she said made so much sense  
**E/D D Dsus2 A F#m E Esus4 E**  
to me, that I still feel like I m half asleep

My dark angel, she gave me diamonds for eyes  
She walked by, now I m hypnotized  
By this dream that just won t stop  
And I feel lke I ve always been lost in this dream

Rumours of heaven only speed the truth on earth  
My dark angel shine your lght on my curse  
You are the other that I have to find  
Until I do, guess I ll see you around in my mind

So Colorado is the place I have to go  
I heard a rumour she loves the mountains and the snow  
Well my dark angel, she gave me diamonds for eyes  
My dark angel, I offer you my heart  
My dark angel, think I loved you from the start

Cause there s this face that I know that I ve never seen  
Sometimes I feel I m living in someone else s dream  
Still I thank you for stopping to talk  
And I wonder, just into who s dream did who walk.

**A C#m D A**  
Oh my dark angel  
**A C#m D D**  
Shine your light on me

A            D A            D A  
Shine your light, Shine your light  
          E        Esus4 E  
Shine your light  
      D        A  
On me, on me.
