Outside my window I listen to the rain,

And the sounds of the passing cars , and the waves

on English Ba-----ay

G D C G  
And I wonder if you think of me as I dream of you.  
D C D  
Do you hear the song that I sing in this hotel room?

Cause I see you in the stars above and in every setting sun,

and even though you re fifteen hundred miles away,

I hear you howling at the mo-----on
