F# B F# B F# Ebm B C# (Repeat 2x)

Verse:

F# B F# B So good at doing what you don t do  
F# Ebm B C# Just trying to protect yourself And other fools like you  
F# B F# B So well practiced in your deceit  
F# Ebm B C# Behind the high walls of stupidity, your endless conceit

Behind the locked doors, the sleeping dog you beat  
I hope I see the day she satisfies her teeth  
Give back to the native the treaty land  
what you preach you preachfor others, why don t you practise that  
first hand

Bridge:

Ebm F# G#m B  
And I just don t understand this world of mine  
Ebm F# G#m Bbm B C#

I must be out of step or out of my mind

And will the profits of destruction forever make your eyes blind  
Do you bow to the corporations cause they pay their bills on time  
God bless Elijah with the feather in his hand  
Stop stealing the Indian land  
Stop stealing the Indian land  
Stop Stealing the Indian land.

Key: A (Capo on 2nd fret. Chords shown for key of G.)

Intro: **F#**

**F#** **C#**  
Started out so simple  
**Ebm** **B** **F#**  
Everything so innocent and plain  
**F#** **C#**  
She was in a doorway  
**Ebm** **B** **F#**  
And I was walking nowhere down the main

**C#**  
She whispered something softly  
**B** **F#**  
And stepped into the light  
**C#**  
Can you help me out she said  
**B** **F#**  
I m a little lost tonight  
**F#** **C#** **B** **F#**  
One day love just hits you with a flash  
**F#** **C#** **B** **F#**  
Lights go off around you like some photograph

She said her bags were stolen  
All they left her was the camera on her arm  
She told me she was new in town  
Only two weeks off the farm  
Why did I believe her  
Heaven only knows  
She looked into my eyes  
And my resolution goes  
One day love just hits you with a flash  
Leaves you staring blindly like some photograph

Bridge:

**Ebm** **C#**  
Pictures of two fools laughing at the world

**B** **F#**  
Smiling as only good luck does

**Ebm** **C#**  
Truth is you re not even looking at me girl

**G#m**  
All the time I was falling

**B**  
You kept on stalling

**G#m** **C#**  
Sizing up how big a fool I was

Woke up in the morning  
I don t think that I had been asleep too long  
The room was dark and empty  
I could see that all my clothes and money were gone

I ve run out of excuses  
And people I can blame  
If she ever asked me too  
I d do it all again  
One day love just hits you with a flash  
Leaves you staring blindly like some photograph
