E |---3-----| (x4)
```

[Verse 1]

```

G                      Am
The sun breaks, oh I can t wait till I ll be on my way again
      D                      G
I m sick and tired of waiting with nothin to do
G
Watchinâ€™ the rain through a crack in the window
      Am
It s the little things (that) get you through
      D                      G
Like the same sun risinâ€™ on me as rising over you
```

```

      Em          C          G          D
Oh, walking and talking like birds in the sky
Em          C          G          D
You tell your secrets, how gracefully you lie
```

[Chorus]

```

      G                      D
Oh, that s the way you come to me
      Em          C
I m head over heels and I m always gonna be
G          D          G Gsus4 G
That s okay, I love the way you come to me
```

[Verse 2]

```

G                      Am
Oh, I guess I m tempting fate, a little too long it seems
      D                      G
```

Walking in this heat is just like floating in a dream

G

Am

Well I know one night together won't make up for ten apart

D

G

But I'm as steady as rain, nothing ever changes in my heart

G

Oh, throw off the covers, open the windows

Am

I don't care what we do

D

G

I've been standing for days, now I get to fall down with you

Em

C
