

How Long
Blue Rodeo

How Long
Blue Rodeo
Diamond Mine

D
I hear you talking everywhere Words on the loudspeakers
G C
Hanging in the air Everywhere
D
And I remember the words You told me too
G
This town s full of losers Trying to get a piece of you
C D
You really think that s true

CHORUS

A G D
How long will it take Til you open up your eyes
A G
I ve been gone for years You never even realized
D G A D G A
How l--o--n--g how l--o--n--g

D
In a corner of the world on election day
G
You watched your star shatter Then fade away
C D
Too many wasted days
D
With your eyes wide open a hand on the wheel
G
You looked back hard trying to Remember just how it feels
C D
How does it feel

Chorus

Em G D
What does it take To let you know
A
It s all coming down
